

RGC

REIMANN&GEORGER CORP.

HEAVY DUTY DOCKS

SUITABLE FOR A VARIETY OF APPLICATIONS INCLUDING MARINAS, WATERSIDE COMMUNITIES AND RESIDENTIAL INSTALLATIONS

DURABILITY YOU CAN COUNT ON

Designed with high activity waterways in mind, RGC Docks stand up to the impacts of busy traffic and severe weather.

EASY TO INSTALL AND MAINTAIN

Simple to assemble and adjust with no special tools required. Decking and aluminum frame require no maintenance.

VERSATILITY TO SUIT ANY NEED

With a wide variety of sizes, easy adaptability and an array of accessories, RGC docks can be customized for any waterfront.

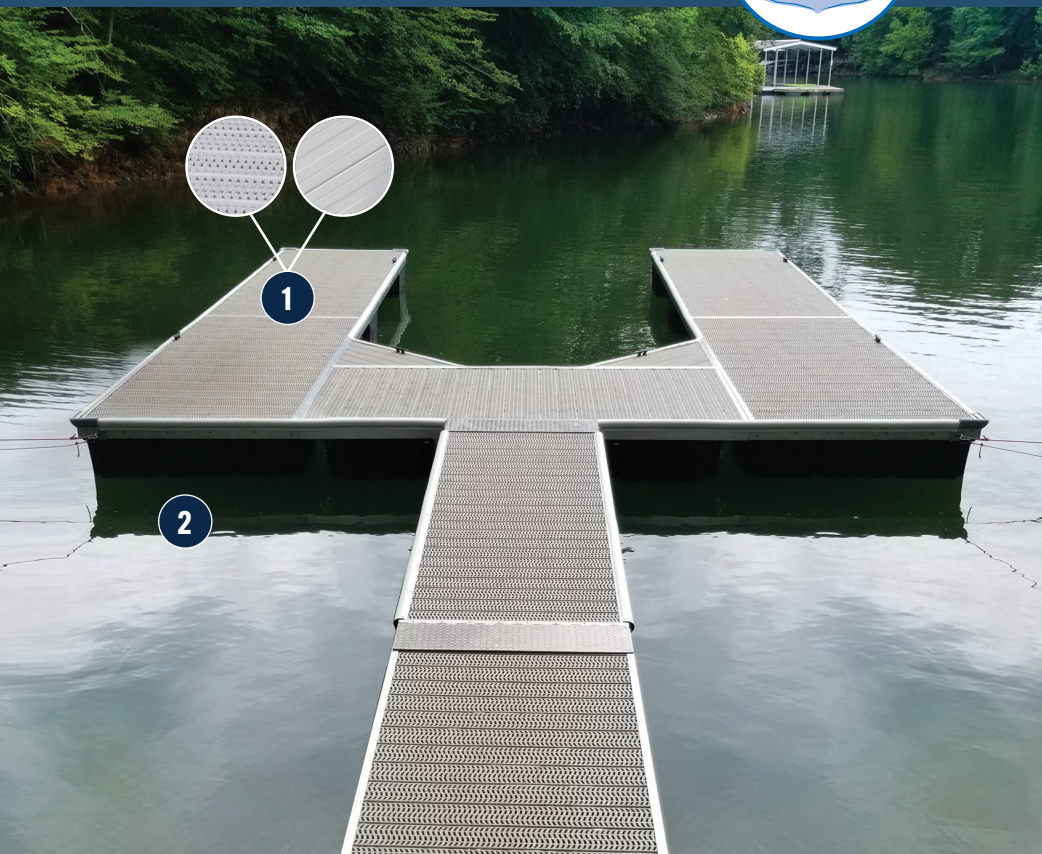

SAFETY YOU CAN TRUST

RGC docks only offer slip and wear resistant decking options combined with solid construction to give you peace of mind.

BUILT TO LAST

HEAVY DUTY DOCK FEATURES

Designed for busy high impact use including marinas, waterside communities & residential installations.

Equipped with stainless-steel fasteners for added durability and custom aluminum extrusions to provide peak strength.

Adaptable for various water depths and shorelines. Can be configured to accommodate break walls.

Sun Decks		
8' x 10', 12', 16', or 20'	X	X
Ramps		
4'x6', 4'x8', 4'x12', 6'x8'	---	X

1 Decking in your choice of Deckwave® poly or powder-coated aluminum offer a timeless look that is both low maintenance and long lasting. Both options are ideal for any marine application, providing extreme strength, durability and safety. Featuring slip resistant, rust-free and easy to maintain surfaces, our decking is capable of enduring years of use.

2 Any Heavy Duty dock may be configured as a floating dock with optional Dock Floats. Suitable for use in waters of any depth, floating docks are ideal for locations with fluctuating water levels, deep water depths and uneven lakebeds.

CUSTOMIZE YOUR DOCK WITH OPTIONS/ACCESSORIES

EXTERNAL ADJUSTABLE LEGS
External dock legs offered in 30", 48", 72", 96" and 120" lengths.
